

New Life Christian Community Bible Study Request Form

Purpose:

This form is to be used by those seeking to lead an official New Life study. An official New Life study is any study approved and supported by the Elder Board as well as any study that is promoted through the different promotional avenues at New Life (announcements, newsletter, website, or Table).

New Life diligently seeks to pursue the absolute truth of Jesus Christ. The elders and pastors are passionate about ensuring that all lessons taught at New Life are faithful to the core doctrinal statements expressed in the New Life constitution. Furthermore, every study done as an official New Life ministry must be true to biblical orthodoxy.

For the reasons mentioned above, the leadership at New Life humbly requests that the Elder Board approve any and every official New Life study. This approval procedure has been developed to be simple and encouraging rather than discouraging.

If you have been led by the Spirit to develop, organize, and lead a study at New Life please fill out the form below. Then, turn this completed form into a pastor or elder for approval at an upcoming Elder Board meeting.

For the glory of God alone,
New Life elders and pastors
