## Ministry Highlight

Every ministry at New Life exists to give glory to God and to be a way for the message of salvation in Jesus alone to be known. This week we want to highlight the Video Ministry at New Life. The video ministry plays an important role in setting up and recording Sunday services. All the lighting and sound and video is calculated, planned, and organized in order to make it easier to share and record the message. There are some at New Life that cannot always attend each Sunday, and this work provides a way for them to tune in and participate from afar. The service is also broadcast to a few different local TV stations as well as uploaded onto the web. Even people from other countries are viewing these messages. This ministry requires a willing and faithful believer. Don't let the sight of all the cables, switches, and lights scare you away. Anyone can learn these roles.

The main roles that are needed right now are camera operators and switchers. The camera operators simply sit in their stations and move the camera to follow the speaker or focus on center stage. This means the camera operator has to view the service through the camera. This does not require any previous experience with cameras. The switcher role basically watches the two camera feeds and clicks on a program to switch camera angles when the speaker is moving to get the clearest view. This person also monitors the volume level of the service as it is being broadcast out to the live viewing.

Now I want to speak a little on serving in the body. Serving is an act of love toward our brothers and sisters by taking our part in carrying the burdens and needs of the body. Our aim in Sunday service (and our entire life) is to exalt and worship Jesus. This is not limited to singing, prayer, and listening to the Word. Our serving is also an act of worship to Jesus. 1 Peter 4:10-11 says, "As each has received a gift, use it to serve one another, as good stewards of God's varied grace: who ever speaks, as one who speaks oracles of God;

## Ministry Highlight Cont.

whoever serves, as one who serves by the strength that God supplies—in order that in everything God may be glorified through Jesus Christ.” The Lord Jesus is the one who gives every believer measures of gifting by the Spirit in order to serve. I say this to excite every believer, not to incur guilt, but so that you would consider your gifts and pursue ways to use them. Our Lord Jesus desires cheerful servants. If you are considering serving in the Video Ministry or any other Ministry, may it be motivated by joy for what Christ Jesus has done for you.

If you are already serving in other capacities at New Life, I would recommend continuing in those roles and pursuing to be faithful and excellent in them. However, if you are not serving in any capacity, please consider this ministry. If you are interested in being a part of serving in this way, please call or email Jim Mabee, the Video Ministry leader. He intends to set up the scheduling so that each volunteer is asked to serve once per month. His contact information is in the bulletin, or you can often find him in the video booth Sunday mornings.

## Book Highlight

Can mere words possibly convey the complexities of God revealed in the world He created? N. D. Wilson sets out to do just that in his book *Notes from the Tilt-a-whirl*. Read this piece as a work of art and prepare to have all 5 senses engaged as you immerse yourself with “wide-eyed wonder” in a study of God’s revealed attributes made plain in nature. This book is an excellent reminder to believers to take every opportunity to witness God’s glory in the things that are made. Purchase your copy in the Resource Center this morning!
